### **KKCG Financial Group has Relocated Its Head Office**

Prague, 11. 05. 2016 – Aiming to unify its holding structure under a single jurisdiction, the KKCG Financial Group relocates its head office to a single location in Switzerland.

KKCG currently conducts business in many different locations, such as Austria, the Czech Republic, Germany, Greece, Italy, Romania, Russia, and Ukraine. The group further enlarges its investment portfolio, for instance by ventures in the U.S. To facilitate further expansion, a decision has been made to relocate the current Netherlands- and Cyprus-based holding structure, which no longer meets the group's needs, to Switzerland.

The new holding arrangement will take advantage of the traditional stability of the Swiss business environment and will facilitate KKCG's access to capital markets.

KKCG is an international investment group managing more than EUR 1.6 billion in assets and employing more than 2,500 people. KKCG focuses on long-term strategic investments in such industries as lottery and entertainment, oil and gas, technology, tourism, real estate, machinery, and others. KKCG operates in 10 countries worldwide.
